2	Polo T.Shirt full sleeve	70 dhs
3	Round neck half sleeve- sports	45 dhs
4	Round neck house T.Shirt- sports	50 dhs
5	Black trouser	70 dhs
6	Black shorts- sports	55 dhs
7	Black pants- sports	55 dhs

The AGS school uniform consists of:

- LONG black AGS pants
- Collared AGS T-Shirt
- Black shoes and white socks

Beginning on Sunday January 8 we will be strictly enforcing the wear of proper uniforms.

PLEASE NOTE: Parents will be phoned and asked to bring the correct AGS uniform to school if their child does not wear the correct uniform to school. Students are to obtain the Proper School Uniform over the Winter Break!

Music Concert

On December 14th, all students from Kindergarten to Grade 6 participated in the annual AGS

holiday concerts. Friends and family gathered in the red area for two morning performances to celebrate the beginning of the festive season and closing of the year 2016. Each class worked hard for several weeks leading up to the event, preparing unique presentations of songs, dances, and stories based on holiday traditions from Canada and all around the world. The result was a fun-filled morning for students, staff, and parents alike! Thank you to all members of the staff who helped with preparations for the concert, and congratulations to all of the performers on a wonderful show and great start to the holiday season!

Parental Permission

Following the Junior High Major Assessments and High School Exams that are written on Jan 23 – 29, students will be able to go home providing they have parental permission. Parental Permission forms will be forwarded home with students prior to the assessments/exams and are returned by Thursday January 19th. Students who do not have parental permission to go home are to remain in school. Please note that bus transportation will be provided at 10:45 am for bus students who have permission to go home.

Winners! Congratulations to Laila Kemmou and Khalid Waleed Soliman who were winners in *Scholastic and The National 2016 Year of Reading Campaign*.

Both have won digital libraries for all students at their grade levels containing hundreds of books! Congratulations and Thanks to Laila and Khalid!

INFORMATION ON HEAD LICE

Head Lice are common Parasites. Any adult or child can get head lice. They are not known to carry any major diseases but are contagious through head to head

ABU DHABI GRAMMAR SCHOOL (CANADA)

Date: Thursday 12 January 2017

contact or shared personal items. However immediate attention is required to prevent its spread.

How Do Children Get Lice?

Head Lice are most common among elementary school aged children.

Children get lice from other children through head to head contact during play or sports time and most often in school settings. Sharing combs, brushes, hair accessories, hats or

lockers can spread head lice.

Head lice do not jump, swim or fly from one child to another.

Prevention:

*Consult your doctor for treatment.

*Soak all combs and brushes in very hot water for one hour.

*Wash sheets, blankets and other beddings in hot water.

*Seal stuffed animals in a plastic bag for one week.

*Vacuum carpets, furniture and mattresses thoroughly.

*Practice early detection by making weekly head checks with lice comb.

Early detection and removal of any live lice or nits can keep head lice problems to a minimum.

Severe Allergy to Latex Products

A member of our school community is extremely allergic to latex and products containing latex. The allergy is similar to a nut allergy in that if a person who

is allergic, comes into contact with latex, can go into anaphylactic shock, which is life threatening. Being allergic to latex means that persons affected are allergic to products such as gloves and balloons. Not only can this allergy be spread by touch but also if the product, or dust from the product, is air borne.

Please be aware that someone in our school has this life threatening allergy before sending products such as balloons to school.

Thank you for your consideration in keeping our school a safe place!

In 2017 Canada is celebrating its 150th birthday. Our school, along with other Canadian schools in Abu Dhabi, will be involved in many activities throughout the year to help celebrate this great occasion.

Please stay tuned for more information on these special events; Public Speaking Event (Grades 3 – 6) on February 8, Science Innovation Fair (Grades 7 – 9) on February 15 and Cultural Night on February 22.
