House T-Shirts

Every Thursday students may wear their AGS sports house T-shirt with their AGS black long pants. Students can wear only their sports house T-shirt not any other colored t-shirt.

After School Activities

After school activities are starting from the 2nd of October until 15th of December. Students can choose their favorite activity from a wide variety being offered by the school this year. For more information contact your class teacher or Mr. Mihai and Ms. Dani for sports related activities.

This is an excellent opportunity for our students to become involved in activities with students outside their regular classroom and in activities of interest to them.

Football Tryouts

Football tryouts will take place on the school's playground and the gym the first week of October. Make sure you're signed up within your age category and note that a fee of 150 dhs per student is being charged for the entire term. This fee is covering the expenses of the team uniform, equipment and transportation for the entire term.

Al Jazira Schools Football Leagues

The most important inter-school competition in Abu Dhabi is setting its format and will start by the end of October. This year our school will participate with four teams: Under 9, 11, 13 and 15, all categories for boys.
